Part II: Matching (one question)

From this list match the circumstance to the appropriate request form by writing the number next to the form name.

1. The item is checked out by another patron
2. McMaster Libraries does not own a book a patron is looking for.
3. The Library has placed a request to purchase this book. We may or may not receive it.
4. The item is between the Library where it was returned & the Library which owns the book.
5. The item is held in an off-site facility or in a staff only accessible area.
6. A McMaster instructor would like items added to his course readings.
7. A patron can’t find a book on the shelf which has a status of “checked in”.

   6   Course Reserve
   4   In-Transit
   7   Unable to Locate
   5   Storage
   1   Recall
   3   On-Order
   2   Racer
Part III: Short Answer (2-3 questions to choose from on the Assessment)

A. List the steps you would take in issuing a Guest Account.
   - Ask the patron if s/he is affiliated with McMaster or what school they attend. You can find out whether they are in high school by asking them this question.
   - If they are not affiliated with McMaster & they are not in high school they are eligible for a Guest Account.
   - Ask them to fill out a Guest Account application form & sign/date the form.
   - Ask them for photo ID (driver’s license, Health Card, student ID card from their home university).
   - Record this ID on the application form & sign/date the form.
   - Type guest
   - Type last name
   - Type the ID & barcode located on the form.
   - Save & close
   - Keep page 1 & give the patron page 2 of the application form pointing out the instructions on how to set up an account. Assist them if they need help.

   - Make sure you are on the Checkout screen.
   - Wand the patron’s barcode from their ID card.
   - Wand the book/item.
   - Ask patron if s/he would like a receipt. If yes, select F11 to print a receipt.

C. List the steps in editing the time on a Reserve item.
   - The book/item must be signed out in order to edit the time.
   - Highlight the item you wish to edit.
   - Select “Edit Item”.
   - Change the time & AM or PM if applicable.
   - Save & Close.
CIRCULATION SIMULATION: UNIT 2

Part IV: Simulation (2 Circulation scenarios)

Role play with your mentor the following situations:

A. A student comes to the desk to sign out a book. When you wand the barcode on their card a block comes up; “Book Has Been Recalled”. What would you say to the patron?

- You tell the patron a book they currently have signed out has now been requested by another person.
- Give the patron the name of the book & inform them of the new recall due date.
- Tell the patron s/he must return the book by the new due date or a fine of $2.00 per day will begin to accumulate.

B. A student wishes to renew a book. The “Book Has Been Recalled” block appears on their card. The block pertains to the book they wish to renew. What would you say to the patron?

- Tell the patron they will not be able to renew the book since it has been requested by another person.
- Inform the patron of the new recall due date & tell them they must return it by this new date or a fine of $2.00 per day will begin to accumulate.
